**NEWSLETTER**

## **LETTER FROM THE PRESIDENT**

### VOTE!

Business First – Included with the stockholders’ newsletter this month is the ballot for the election of three new members of the Board of directors. Please take a minute and cast your vote for those that you want to serve. We are fortunate to have six outstanding candidates. Unfortunately, you can only vote for three. Ballots must be returned to the Club office by December 19, 2007.

### NOW!

Here is wishing everyone a Merry Christmas and a Happy New Year from our house to yours. With the Holiday Season at hand, there are a number of exciting activities planned at the Club. I hope that all of you will review the calendar and join us for fun and fellowship this month (Don’t miss Sunday Buffet with Santa on December 9).

### **On the golf front:**

The new cart sheds are coming out of the ground. The contractor is moving forward at a good pace and if the weather holds, the displaced golfer will have a new home by early January. Scott will be staying in touch with all of the affected members to keep them informed as to the “what and when” of our recovery plans. If you are not one of the displaced individuals, but would still like to rent or long-term lease one of the new units, please see Scott for information on availability.

There has not been a better time to play golf this year than now. The course is in great condition. The weather is comfortable and inviting. It just doesn’t get any better than this.

The restroom on Number 13 is now in operation and will remain open until cold weather forces us to cut off the water supply. If you find this facility in need of cleaning, please let the pro shop staff know. I encourage all golfers to help us keep this facility presentable for all of us to use.

**On the social front:**

**YOU DON'T WANT TO MISS:** New Year's Eve 2007 at the Club with Medical Malpractice on December 31, 2007 with fun and beverage for all. Please make your reservations early so the staff can plan for the appropriate number of people. Note that guests are welcome and Scott has the invitations.

The Ladies Committee beginner and intermediate bridge lessons continue every Tuesday night and every Wednesday with lunch at noon followed by the lessons. The beginners are now ready to move up so watch for a new beginners group to get active soon and if interested, contact the club office or any of the bridge ladies.

The Christmas tree just went up today. It is BEAUTIFUL! A special "THANK YOU" to the ladies flower committee for all of the beautiful color they add to the club house.

Note that the club will be closed on Christmas Day and New Years Day. In addition, dining services will also be closed December 26 and 27 as well as their normal days of the week to be closed. There will be hotdogs and popcorn in the bar for all starving golfers when the club is open.

Bobby Crosland and his committee are trying to re-energize the tennis program at SCC. If you are interested in being a part of effort, please give Bobby a call.

Be sure to check the detail calendar for December as we transition into the Holiday Season so you don't miss out on any of the many activities scheduled for this special season.

It is early, but plans are already underway for our Second Annual Fat Tuesday Party on Tuesday, February 5, 2008.

Watch your email for information on some special activities at the Club every Friday night in January. Beginning on Friday night, January 11, 2008, plans are underway to provide a dining alternative to going downtown with the crowds. Plans are to offer a limited menu on Friday nights for members and guests to come to the Club for fun, food and fellowship.

As of November 28, the club membership has reached a total of 341. I continue to urge you to invite your friends that are not members of the club to come out and see all that SCC has to offer. At Starkville County Club, we offer a variety of membership classes to meet the needs of all of our potential members.

As we start to prepare for a new year, I encourage you to offer any suggestions which will help improve the Club experience for all members. I especially would appreciate any suggestions for social activities for the coming year as we work to set a social calendar for 2008.

Watch for a number of other small changes all around the club intended to make our club a fun place for all of us to enjoy. If you like the changes tell the staff and if you don't like them, tell me or a member of the board. Be assured that the staff and volunteer leadership of the club value your suggestions and input on how to take our club to the next level.

Until next month, SEE YOU AT THE CLUB! Keith Winfield
