NEWSLETTER

LETTER FROM THE PRESIDENT

It's May already and that can only mean that it is POOL, PARTY and GOLF Time!

The swimming pool will open on May 19 with a Grand Opening Party on Sunday afternoon, May 20, including a hamburger party around the pool at 5:00. Everyone is invited to come out to see what a great job Scott and the staff have done in getting the pool ready for another season of fun in the sun. The Swimming Pool Committee, under the direction of Payton Passons, has already been busy planning for this season. The pool will re-open on May 25 with the end of school for its regular summer schedule. Elsewhere in this newsletter, you will find all of the details on the pool operating schedule and rules for this year.

Neal and his staff continue to work on the golf course and thanks to the warm weather, the course is really looking and playing great for this early in the season. Golfers and Hackers, please take note of the rule now in place relative to the new landscape areas on holes number 15 and 16 and refrain from hitting out of these areas. The new rule provides for a free drop no closer to the hole in order to save our mulch and plants.

On the golf front:

The Starkville Country Club Member Invitational is scheduled for May 26 & 27.

The Ladies Golf Association is sponsoring the first "Guy/Gal" Tournament on May 12.

The regular Thursday night golf activities will be continuing throughout the month.

Complete details on all of our golf activities may be found elsewhere in this newsletter.

On the social front:

May 11 is the date for the annual crawfish boil with Davis Kelly scheduled to provide musical entertainment

May 23 is a special ladies luncheon with a special presentation by Mr. Ralph Null. Reservations and a ticket are required for this special event.

May 28, Memorial Day, will be FUN day at the club with all of the club facilities being open for your enjoyment and dining pleasure.

We will also have our normal Sunday buffets in May (which by the way enjoyed record attendance in April).

The food and beverage committee continue to move forward with plans to improve our dining experience at the club. For those not with us for Italian night, I can assure you that you missed a fine evening of fun, fellowship and great food. I encourage you to come join in the fun on Friday night.

I want to encourage all of our members to join in the activities at our club and invite your friends that are not members to come out and experience what is happening at SCC to understand what they are missing by not being members. At Starkville County Club, we offer a variety of membership classes to meet the needs of all of our potential members. We are at an all time high in membership, but there is still room for more members who want to join in the good times.

Until next month, SEE YOU AT THE CLUB!

Keith Winfield

The SCC pool will be open May 19 & 20 for the weekend. There will be a cookout on the pool patio May 20 at 5:00 pm with hamburgers, chips & drinks available (cost \$6.00 per plate). The pool will be closed on May 21, 22, 23 & 24 and re-open May 25 for normal summer operating hours.

**PLEASE DO
NOT DRIVE
THROUGH
THE FESCUE**

SCC Fescue

There have been many rules questions concerning the newly planted fescue. If your ball goes in the fescue, the following applies. Play the ball as it lies or declare ball unplayable (Rule 28). The fescue is not a hazard. If your ball is lost (Rule 27-1), you must replay the shot with a one stroke penalty. If you believe your ball may be lost in fescue, you can hit a provisional ball (Rule 27-2) to save time. If you have any rules questions, please feel free to contact Scott.

All players are responsible for repairing divots with sand, repairing all ball marks and raking bunkers.

SCC Driving Range Membership

The current driving range membership expired April 30, 2007. The 2007/2008 plan starts May 1, 2007. Anyone interested in joining this plan, contact the pro shop. Single \$150.00 Family \$200.00.

Starkville Country Club has invested in landscaping Holes 15, 16 & 17. If you have not seen the improvements, please take notice. To protect these newly planted areas, you **MUST** use the **GROUND UNDER REPAIR** rule when your ball comes to rest in these mulched beds. If your ball or stance is touching the mulch, you **MUST** take relief.

Relief Procedure: The player must lift the ball and drop it without penalty within one club-length of and not nearer the hole than the nearest point of relief. The nearest point of relief must not be in a hazard or on a putting green. When the ball is dropped within one club-length of the nearest point of relief, the ball must first strike a part of the course at a spot that avoids interference by the condition and is not in a hazard and not on a putting green.
