AUGUST 2008

NEWSLETTER

Letter From The Manager

With school beginning soon we will be wrapping up some of our summer activities. However, there is still a lot of great weather to enjoy. If you have any ideas or suggestions for late summer activities, please let me know.

With the completion of several projects, including tennis court renovations, cart shed parking and superintendent office / maintenance break room construction comes the opportunity for others. Beginning this fall, we will be starting renovations in the clubhouse including the kitchen, floor covering, restrooms and painting. Please feel free to make constructive suggestions at any time and let's keep our positive momentum going into the fall.

As many of you have noticed, the Club has added several Speed Bumps around the building. Please understand we are making an effort to protect you and your family.

Interest in tennis seems to be picking up as several of you have played and commented favorably on our "new" courts. The most common comments to date are that these courts are much easier on bones and joints and they are much cooler compare to playing on concrete courts. Please continue to pass along comments - good and bad - if you have any.

We have started a Men's group that plays on Monday nights at 7:00. If any of you are interested please call me at 324-5999 and I will put you on our e-mail list. Rosie Moore conducted a clinic the last week of July that went over real well. Hopefully we can do some more of these. Try to use this tennis facility as a way to invite potential new members out to the club. It works....believe me.
